

POSITION DUTY STATEMENT

PM-0924 (REV 7/2014)

CLASSIFICATION TITLE	OFFICE/BRANCH/SECTION	
Transportation Engineering Technician	04 / Right of Way Surveys/ Field Offices	
WORKING TITLE	POSITION NUMBER	EFFECTIVE DATE
Transportation Engineering Technician	904-403-3175-XXX	05/01/2015

As a valued member of the Caltrans team, you make it possible for the Department to provide a safe, sustainable, integrated, and efficient transportation system to enhance California's economy and livability. Caltrans is a performance-driven, transparent, and accountable organization that values its people, resources and partners, and meets new challenges through leadership, innovation and teamwork.

GENERAL STATEMENT:

The Transportation Engineer Technician works under the direct supervision of a Transportation Surveyor, Party Chief. Incumbent may work under the direction of a lead worker, Transportation Surveyor or Transportation Engineer, as a member of a field survey crew. Incumbent should have some experience and knowledge of all activities required of a survey crew.

TYPICAL DUTIES:

Percentage		Job Description
Essential (E)/Marginal (M) ¹		
50%	E	Act as a laborer on a survey crew which includes use of a sledge hammer while pounding survey markers to grade.
20%	E	Perform non-technical survey functions as assigned, such as cleaning equipment, and clearing and cutting brush while using either an axe, brush hook or machete.
10%	E	Act as a survey note keeper compiling data collected during survey field operations.
10%	E	Operate surveying instruments such as a total instrument, theodolite and level.
5%	M	Makes survey calculations involving the use of algebra, geometry and trigonometry.
5%	M	Act as a flag person providing traffic control on highways.

¹ESSENTIAL FUNCTIONS are the core duties of the position that cannot be reassigned.

MARGINAL FUNCTIONS are the minor tasks of the position that can be assigned to others.

SUPERVISION OR GUIDANCE EXERCISED OVER OTHERS

This position does not supervise other employees, but may be requested to act as a lead worker.

KNOWLEDGE, ABILITIES, AND ANALYTICAL REQUIREMENTS

Knowledge of basic field surveying skills in order to perform assignments.

Ability to operate most surveying instruments in order to take clear and accurate notes, and to operate all types of vehicles used by survey crews. Individual may be required to perform any of the following:

1. Carry loads up to 50 lbs. unassisted, over difficult terrain transporting equipment and materials with no vehicle access.
2. Wield a 10 lbs. sledgehammer for extended periods in hot temperatures.
3. Handle brush-clearing tools in areas heavily vegetated with poison oak to provide access and line of sight for a survey crew.

The incumbent should be able to identify survey requirements and be in a position to help the survey crew in obtaining the required data. The incumbent should be able to reduce field data to useable form, which will require some analysis to resolve conflicts and the ability to identify potential problems.

POSITION DUTY STATEMENT

PM-0924 (REV 7/2014)

RESPONSIBILITY FOR DECISIONS AND CONSEQUENCES OF ERROR

Errors in regular field survey work may lead to encroachments and/or defects in the State's title, exposing the State to various liability claims, construction delays and greatly increasing costs to the State. Errors in judgement may impact the safety of workers and the traveling public.

PUBLIC AND INTERNAL CONTACTS

May make public contacts associated with survey duties.

PHYSICAL, MENTAL, AND EMOTIONAL REQUIREMENTS

The incumbent must have the ability to multi-task, adapt to changes in priorities, and complete tasks or projects with short notice. The incumbent must be able to develop and maintain cooperative working relations.

WORK ENVIRONMENT

The incumbent may be exposed to adverse conditions that may include, but are not limited to extreme weather conditions; rough terrain, great heights; poison oak; insect bites and/or bee stings; loud noises, dust, and chemicals.

Overtime may be required and vacations may be restricted during periods of heavy workload.

May be required to travel for short periods of time, however, travel in this district is not very frequent.

Rotational assignments may also be required in the District Office in Oakland and other Surveys Field Offices.

I have read, understand and can perform the duties listed above. (If you believe you may require reasonable accommodation, please discuss this with your hiring supervisor. If you are unsure whether you require reasonable accommodation, inform the hiring supervisor who will discuss your concerns with the Reasonable Accommodation Coordinator.)
